this book first published in 2002 gathers some of america s top subject expert
librarians to determine the most influential journals in their respective fields 32
contributing authors reviewed journals from over twenty countries that have
successfully shaped the evolution of their individual specialties worldwide their
choices reflect the history of each discipline or profession taking into account
rivalries between universities professional societies for profit and not for profit
publishers and even nation states and international ideologies in each journal s
quest for reputational dominance each journal was judged using criteria such as
longevity of publication foresight in carving out its niche ability to attract
sustain professional or academic affiliations opinion leadership or agenda setting
power and ongoing criticality to the study or practice of their field the book

presents wholly independent reviewers none are in the employ of any publisher but each is fully credentialed and well published and many are award winners the authors guide college and professional school librarians on limited budgets via an exposition of their analytical and critical winnowing process in determining the classic resources for their faculty students and working professional clientele

the second edition of the award winning pharmacy management leadership marketing and finance has been updated to make this quality textbook an even more integral resource for your pharmacy management course all previous chapters have been updated and multiple new chapters have been added including quality improvement the basics of managing risk insurance fundamentals integrating pharmacoeconomic principles and pharmacy management and developing and evaluating clinical pharmacy services important notice the digital edition of this book is missing some of the images or content found in the physical edition
